Warm greetings to all of you who are watching and praying to be a blessing to the world! The Spiritual Resource Foundation (TSRF) provides a practical channel for anyone who wants to keep in touch with the Russian-speaking field of Christian Scientists and to find ways to support the work there prayerfully and financially.

Imagine that your church or society was asked to provide church services, lectures, Reading Room, COP, and other activities to cover 11 time zones. Sound daunting? Russia is fortunate to have caring Christian Scientists who want to include everyone in those far-flung places in their ministry. They recently formed a Liaison Committee to consider ways to reach out across those time zones and into remote areas, using the resources available to them through TSRF.

The Foundation provided funds again this year to help workers staff the Christian Science Reading Room booth at the recent Moscow International Book Fair, which featured several short lectures by Board of Lectureship member Juliane Klein. Visitors to the booth obtained copies of *Science and Health with Key to the Scriptures* by Mary Baker Eddy, and Russian Heralds, asked questions, and in many cases found their misconceptions of Christian Science corrected.

During one talk, a woman interrupted the lecturer to say that she felt very comforted and afterward bought a copy of S&H, giving 4 times the price out of gratitude. A university professor, interested in understanding how Jesus could heal, bought a *Science and Health* and then asked the attendant, "What is the universal Panacea?" The worker answered, "Love." The professor was so happy that he kissed the worker on the cheek and explained that he often asks his students this question, but they always fail to give the right answer.

For a more detailed report on this recent event, please visit  
<http://www.christiansciencerussia.com/some-fruits.html>.

The Foundation recently supplied funds for an experienced worker to travel to Moscow to help local Christian Scientists organize and find a venue for regular church meetings. Other needs of the field recently have included shipments of *Science and Health*, registering and maintaining web sites, and printing *Heralds*. The field grows and the work increases and takes new forms in the age of the internet.

If you are interested in supporting Christian Science in Russian-speaking countries, you can share this newsletter with your friends and fellow church members and send donations to the following address:

If you are interested in making a tax-deductible donation, please mail to:  
The Spiritual Resource Foundation  
Post Office Box 7278  
Olympia, WA 98507-7278 USA

You may also donate through Pay-Pal at <http://spiritualresource.org/donations/>.  
Please note that PayPal takes 10% of any contribution.
